Incorporated 1971

January 15, 2008

Dear Community Member,

The Morgan Hill Historical Society invites you to become a member.

Membership offers many benefits for both you and the Society. For you, it offers a quarterly newsletter, notice of the Founders Day Dinner, a chance to meet with other members four times a year at our "Potluck" general meetings and to enjoy an informative historical program. Your membership also gives you a 10% discount at the Gift Shop and towards any rental fees for the Morgan Hill House. Membership gives you the opportunity to be the first to be asked to be on the teams that produce our many fun and exciting projects during the year.

For the Morgan Hill Historical Society, your membership gives us much needed funds to keep the Morgan Hill House and Museum open to the public. In past years adults and students of all ages have visited the House and the Museum to learn about the history of our town. The reopening of our Museum will offer an even broader avenue of learning with our new displays and rotating exhibits.

But it can't be done without funding. So, please consider adding a contribution along with your membership so Morgan Hill's storied history can remain a vital part of our community as we enter our second century as a vibrant and thriving city. Thank you to our community for its support of our efforts, and we truly value the vitality our members bring to the history of our community.

Very sincerely yours,
